

Support Letter

Dear _____,

I'm writing to let you know what God has been doing in my life, an exciting opportunity I have for this coming summer, and how I would love for you to be a part of both.

In Matthew, Jesus commands his disciples saying "Go...and make disciples of all nations." In Romans, Paul writes, "Everyone who calls on the name of the Lord *will* be saved...How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are *sent*?" While reading these passages, I have been wondering how I could be a part of God's plan to save people from all nations through His Son Jesus. I'm thankful to say God has provided an opportunity for that very thing.

This coming summer break, I am joining a team at MissionLab in New Orleans, LA. MissionLab is a missions program through New Orleans Baptist Theological Seminary that is designed to help students be equipped to serve on missions. Through much prayer, time, and consideration I have decided to join this team. We will be in New Orleans, LA from June 2nd to June 7th, 2024. Throughout the week our ministry will be focused on different ministry sites across the city of New Orleans to serve and gain mission experience. These ministry sites include kids ministry, homeless ministry, and senior adults. MissionLab is designed to help students understand that mission opportunities surround us every day, no matter where they live.

There are two ways I am asking you to be a part of this trip with me. First, please pray that God would open the hearts of the people in New Orleans to receive Jesus, and for God to use this team to expand His Kingdom. Secondly, this trip will cost \$450, and I am going to be raising support to fund the trip. God has shown me in His Word that the giver and the receiver are both blessed in partnering to bring the gospel to all nations! I will be calling you soon to answer any questions you have and to ask if you will financially partner with me to bring the hope of Jesus to New Orleans. Thank you for taking the time to read through this letter, for your prayers, and for considering supporting me financially. I look forward to sharing more with you soon!

All For God's Glory,
