

Life Group Covenant | 2021-22

By signing this covenant, I commit to:

- Making Life Groups a priority. I will be at Life Groups whenever they're scheduled. If something arises that is unresolvable, I will communicate with my Life Group leader and let them know before our meeting.
- Being actively engaged with my group through this school year (until May).
- Being trustworthy. I will not discuss prayer requests or other confidential matters outside our group.
- Living a life "worthy of the Gospel" at all times. This means that my actions point others to Christ.
- Living above reproach in all areas of life. I understand that my influence trumps my liberty.
- Preparing myself for each week and engage in our group discussions.

By signing this covenant, I commit to:

- **BEING REAL**

- I will not say "all is fine" when it is not.
- I will not attempt to "fake" my Christian faith.
- I will not lie about the details of my life.

- **BEING ACCOUNTABLE**

- I will invite those in my group into the important parts of my life.
- I will give them the freedom to point out things in my life which keep me from being all that Christ wants me to be.
- I will do the same for them.

- **BEING WITH GOD**

- I will spend consistent time with Him.
- I will actively and regularly worship at FBCO.
- I will always be ready to answer and ask the question, "What is God doing in your life?"

- **BEING HERE**

- I will make my group meeting a top priority.
- I will contact my leader if something unavoidable comes up.
- I will consistently attend Student Ministry and church-wide worship/ministry opportunities, realizing my responsibility to encourage the body of Christ.

- **PRAY**

- I will pray regularly for God's activity in the lives of my group members.
- I will pray regularly for God's presence and Satan's absence in the Student Ministry at FBCO.

I understand that being part of a Life Group means I'm making a commitment to the Lord, my Life Group leader, and the other group members. I will do my best to fulfill all aspects of this covenant.
